

# Pin the nose on David Hasselhog!

Hedgehogs have declined by at least 46% in 13 years. They're now vulnerable to extinction in Great Britain.

By taking part, you're helping to make Somerset a better place for hedgehogs and all the other wildlife that call this county home.

## How to play...

1. Make a donation if you can at [JustGiving.com/](https://www.justgiving.com/)\_\_\_\_\_
2. Give everyone a numbered nose.
3. Note down everyone's number.
4. Get them to close their eyes, spin round and pin the nose on David.
5. The closest wins!
